

Pub to Pub 10k – Start near to the London Bridge, finish near to The Stag

Directions

Start on the canal footpath under the London Road Bridge, run west past Thorn Marine and remain on the canal passing the Moore Village Store, and run on until you reach the Daresbury Science Park.

Come off the canal at Keckwick Lane bridge by passing under the bridge, turning right, then right again to reach the road.

Cross the canal using the bridge and follow the road into the science park.

Pick up the pavement on the left hand side of the road and continue up hill to the roundabout

At the roundabout take the second exit, it is the old route of Keckwick Lane and is marked as a dead end for traffic. Follow this until you reach Chester Road.

Turn Left onto Chester Road and follow the clear footpath downhill back towards Stockton Heath, taking care to use the traffic lights to cross the junctions with the Daresbury Expressway and Runcorn Road.

The finish point is the point where the left hand footpath (on which you are running) stops before the swing bridge.
